

REMARKS

The present Amendment amends claims 1, 2, 5, 7, 8-10, 13 and 14 and leaves claims 3, 4, 6, 11 and 12 unchanged. Therefore, the present application has pending claims 1-14.

In paragraph 2 of the Office Action the Examiner objected to the drawings under 37 CFR §1.83(a) as allegedly not showing every feature of the invention specified in the claims. Filed on even date herewith are Proposed Drawing Corrections modifying the drawings so as to illustrate the features recited in the claims. Therefore, Applicants submit that this rejection overcome and should be withdrawn. Approval of the Proposed Drawing Corrections is respectfully requested.

The Abstract stands objected to as not being in conformity with U.S. practice. Amendments were made throughout the Abstract so that its length does not to exceed 150 words and to eliminate language which is normally used in the claims. Therefore, Applicants submit that this rejection is overcome and should be withdrawn.

Claims 1, 7, 8, 9, 13 and 14 stand objected to due to informalities noted by the Examiner in paragraph 4 of the Office Action. Various amendments were made throughout claims 1, 7, 8, 9, 13 and 14 to correct the informalities noted by the Examiner. Therefore, this objection is overcome and should be withdrawn.

Applicants acknowledge the Examiner's indication in paragraph 5 of the Office Action that the present application is in condition for allowance except for formal matters in accordance with the practice under Ex parte Quayle.

In view of the foregoing amendments and remarks, applicants submit that the present application is now in condition for allowance based on claims 1-14.

Accordingly, early allowance of claims 1-14 is respectfully requested.

To the extent necessary, the applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, or credit any overpayment of fees, to the deposit account of MATTINGLY, STANGER & MALUR, P.C., Deposit Account No. 50-1417 (500.40277X00).
